

Annual Report
Sally Craig Memorial Library
2012

The Sally Craig Memorial Library continues to grow and serve the parish community with books, videos, magazines, and other materials. All parishioners are invited to check out materials and/or to use the library materials for study and personal enjoyment. All parishioners are welcome to recommend titles for purchase by the library.

During the past year, we have been able to improve our book processing by using computer generated materials.

We have added library materials throughout the year, and we thank those who have donated books and other items to the library in 2011, including Charlie and Carol Porter, Jim and Cyndi Millspaugh, Meredith Potter and Bill Roberts.

In the coming year, the library will continue to consult with the church school coordinator to assess the needs for supplemental books and audiovisual materials for the teachers to use. We hope to bring in many up to date materials on the emerging church and other exciting new directions in the church.

Respectfully submitted,
Susan Koy, Librarian
